The Scottsdale Gallery Association's 2017-2018 Gold Palette ArtWalk Series kicks off with a return of last year's popular "DEMONSTRATE!" event. This special art walk event allows patrons to observe artisan's creative process in person as many galleries feature live demonstrations. Guests are encouraged to watch, ask questions, and maybe even participate! This evening is designed to create a rich learning experience for collectors and first time visitors alike to enjoy the fine art tradition of the Scottsdale Art District.

Come immerse yourself in culture for an evening in the heart of the Scottsdale Arts District!
